

**ADULT LITERACY  
VOLUNTEER TUTORS  
LIST OF HONOR**

Volunteer literacy tutors throughout the state have donated time, expertise and good will to adult learners and to the adult education and literacy field. They make a difference in countless lives by helping adult learners reach educational goals. The Illinois State Library Literacy Office honors those volunteers who have served as literacy tutors for more than 15 years by posting their names and length of service here. From all of us, thank you!
